SUBJECT: LCBATLAND Leaflet Material

TO : Chief, ZACACTUS
Washington, D. C.

INFO: Chief, ZACACTUS

ATTN : []

1. During the past week [] and [] have been working with the Propaganda Committee on the preparation of leaflet material to be used in the event the ban on leaflet operations is lifted.

2. Attached to this memorandum are two leaflets, which it is agreed would be produced by the Americans. A third leaflet, to be produced by the British, is nearing completion and will be sent along later.

3. Leaflet No. 1, attached, was drafted by [] some time back and has been processed by the Propaganda Committee with only minor changes. Leaflet No. 2, attached, was prepared jointly by [] and [] and has not been discussed with the Propaganda Committee. Because the success of this leaflet is dependent upon the utmost secrecy, [] and [] felt it unwise to discuss the matter with anyone other than the most trusted members of HTNEIGH. For that reason, this leaflet was prepared in collaboration with Ockleshaw, Skeaping, Pashley and Kelvin. It has their unanimous approval.

4. The thinking back of this leaflet (No. 2) has been discussed with both [] and [] and is aimed toward being the vanguard of the aid program expressed in [] BGFIEND analysis forwarded in 53-CRIAG and more fully covered in [] recommendations made in 602-CAGWU.

5. If Washington approves the overall approach to this propaganda aid program, then Washington should instruct Malament to dispatch the cablegram (reproduced in the leaflet) to Murat immediately so that production of the leaflet can be undertaken at an early date.

6. The four members of HTNEIGH mentioned above are most enthusiastic about this propaganda aid program and have only one reservation, which they request we bear in mind. Under no circumstances do they feel that any inference should be made that an independent and democratic state will not soon replace Murat and his Red masters. All concerned here in Rome agree that there is no such danger in this first effort.

7. Comments from [] and [] will be most welcome.

OUR REPLY TO THE COMMUNIST TERROR

Albanians!

The answer of the Communists to the growing discontent of the people is ever-increasing terror. Innocent men have been sacrificed in the mad effort of the Kremlin and its Albanian tools to suppress the relentless hatred of the people.

To the Communists we say that the recourse to terror is useless. It will not stop the people from having the final say. It merely deepens the guilt of the Red terrorists; it merely lengthens the list of those who will pay for their crimes in the future.

To true Albanians we say: "Remember the men whose lives have been sacrificed. They are martyrs and heroes. Albanians can never forget that they gave their lives for their country's future."

For present period of our struggle, our instructions to true Albanians remain the same:

1. For the moment do not expose yourself or take action against the enemy.
2. Use your eyes and ears to gather information of use to our case. Pass the information to our agents when they approach you.
3. Note particularly the names of Communist spies. Preserve such information for use in the future.
4. Be patient and cunning. Above all do not expose yourself.

Couriers are instructed to pass these orders along to all members of the underground.

PERGJEGJA E JONE TERRORIT KOMUNIST

Shqiptarë !

Pakënaqësis gjithnjë më të madhe të popullit, komunistet i përgjigjen gjithmonë me terror më të randë.

Kremlini dhe veglat e tija të verbëta, për të zhdukë urrejtjen dhe për të shtypë guximin e Popullit, vrasin e presin Shqipëtarë të pafajshëm.

Komunistavet, ne u themi se përdorimi i terrorit është i kotë. Fjala e fundit do të jetë e Popullit. Terrori nuk ban tjetër veç se randon fajin e trathtarvet të kuq dhe shton listën e atyne që do të japin llogari në t'ardhmen për krimet që kanë bërë dhe vazhdojnë të bartinë.

Në fazën e sotshme të perpjekjevet, udhëzimet t'ona për Shqiptarët e vërtetë mbeten po ata:

1) Tash për tash mos dilni krejt në shesh tue rrezikue vehten tuej; mos kryeni veprime kundër anmikut.

2) Mondohuni me mbledhë informata të dobishme për çashtjen t'onë; dhe kur të mundeni, i-a njoftoni këta ushtarvet t'onë në male.

3) Shenoni me kujdes emnat e spiunvet dhe xhelatvet komunist, se një ditë jo shumë të largët, do të na hyjnë në punë.

4) Fitorja sigurohet me durim, me mundë, me shkathtësi, me besim dhe me vullnet.

E perserisim edhe një herë: Tregohuni të matun në të gjitha punët, sepse rreziku asht i madh. Asgjë më kot, çdo gjë me mend.

A MESSAGE FROM THE NATIONAL COMMITTEE FOR FREE ALBANIA

Dear Brothers and Sisters of Albania!

On _____ your National Committee for Free Albania
sent the following cable message to Enver Hoxha:

"ENVER HOXHA
-PREMIER OF ALBANIA
TIRANA, ALBANIA

"AS YOU WELL KNOW, THE NATIONAL COMMITTEE FOR FREE ALBANIA
HAS LONG BEEN DEDICATED TO THE OVERTHROW OF YOUR REGIME
AND THE ESTABLISHMENT OF A FREE AND INDEPENDENT ALBANIA.
AND, WHILE WE ARE MAKING EVERY EFFORT TO HASTEN THE DAY OF
YOUR DEMISE, WHICH IS NOT FAR OFF, WE WANT TO HELP OUR
PEOPLE AND TO EASE THEIR SUFFERING IN THE MEANTIME. IN
VIEW OF THE WIDESPREAD POVERTY AND LACK OF FOODSTUFFS,
MEDICINES, AND OTHER HOUSEHOLD NECESSITIES, WE, THE NATIONAL
COMMITTEE FOR FREE ALBANIA, THEREFORE MAKE THE FOLLOWING
OFFER TO YOUR GOVERNMENT:

STARTING IMMEDIATELY THIS COMMITTEE WILL SUPPLY AID TO OUR
PEOPLE ON A CONTINUING BASIS EACH AND EVERY MONTH IF YOUR
GOVERNMENT WILL AGREE TO DISTRIBUTE SUCH AID EQUITABLY AND
IMPARTIALLY TO OUR NEEDY BROTHERS AND SISTERS REGARDLESS
OF THEIR POLITICAL AFFILIATIONS. WILL YOU AGREE TO ACCEPT
FOODSTUFFS, MEDICINES, AND HOUSEHOLD NECESSITIES NOT NOW
AVAILABLE TO OUR PEOPLE, AND WILL YOU AGREE TO DISTRIBUTE
THEM?

"MAY WE HAVE YOUR EARLY REPLY TO THIS OFFER BY COMMERCIAL
CABLE."

(Signed) "THE NATIONAL COMMITTEE FOR
FREE ALBANIA"

"CABLE ADDRESS, NEW YORK, N.Y., U.S.A."

Brother and Sister Albanians!

Your National Committee for Free Albania made this offer to
Enver Hoxha in good faith. We made the offer because we grieve

for our suffering people who are so badly in need of help.
But, brothers and sisters, did Enver Hoxha accept our offer
of aid? No! Enver Hoxha does not care how much our dear
ones suffer.

(Alternative paragraphs)

- (1) ~~Enver Hoxha replied to our offer as follows: "-----~~
(2) Enver Hoxha did not even have the decency to reply to our
offer.

Brothers and Sisters! We are determined to help you, regardless
of Enver Hoxha and his cohorts. Since they refused to distri-
bute our aid among you, we have taken matters in our own hands.
✓ If Enver won't distribute our aid to you, we will do it our-
selves. We will fly airplanes over our beloved homeland and
will drop needed materials to you from the sky.

We wish our flights could be often....We wish our aid could be
unlimited....But such activities require much preparation and
time is needed to gather our materials and prepare them for you.
But watch for us....We will be back again and again....We will
continue to come back until the day when we can join hands and
drive the Tirana tyrants from our homeland and our beloved
Albania will again be ruled by peace and happiness.

Packet of needles
glued to leaflet

Thousands and thousands of these
packets of needles have been dropped
on cities and villages all over
Albania tonight. We send them to
the mothers who need them so
desperately in their struggle to
sew garments to warm the hungry
bodies of their loved ones.
